

How To Complete Your Fit to Give Daily Tasks

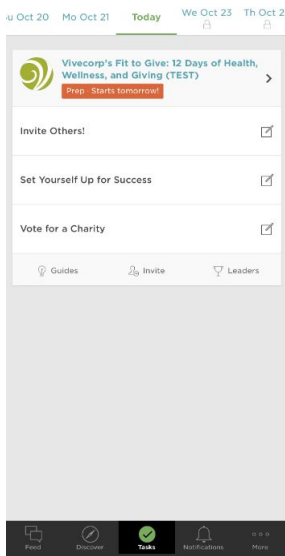

Before you are able to complete tasks you will need to create a [Vimify account](#) and register (INSERT) for the Fit to Give challenge. Once you have done this, you will be able to complete daily tasks.

Step 1: Log into your vimify account (app or desktop).

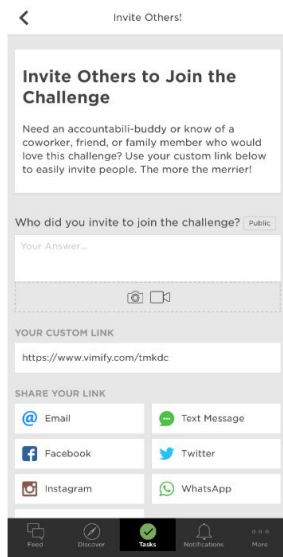

The screenshot shows the login interface for the Vimify app. At the top, there are two 'Log In' buttons. Below them are two input fields: 'EMAIL' with the placeholder 'Enter your email' and 'PASSWORD' with the placeholder 'Enter your password' and a note '6 characters or more'. A link for 'FORGOT PASSWORD?' is located below the password field. An 'OR' separator is centered below the fields. A blue button with the Facebook logo and the text 'Log in with Facebook' is positioned below the separator. At the bottom, there is a link that says 'New to Vimify?'.

Step 2: Once you log in, it will automatically take you to your tasks for the day and you will see the list of tasks to complete. To navigate back to your tasks, click on the tasks icon on the bottom of the screen (app) or on the left hand side of the screen (desktop).

Step 3: For more details and to complete the task, click on it.

Step 4: There will be a variety of ways to complete tasks. The task will specify how to mark its completion. They include:

- Check Off
- Proof Picture
- Answer Question

Step 5: Once you have marked the task as complete, the task will turn green and you will automatically earn your points.

Step 6: You can click on 'Leaders' to see how many points total you have earned compared to all other participations.
